MAY MISSIONARY HIGHLIGHTS

The ministry of Missionary Aviation Repair Center (MARC) is to expand the Gospel in Alaska by providing air transportation and logistical support for ministries working in remote communities. Many missionaries and pastors in rural Alaska have their own airplanes. MARC provides maintenance services to keep these essential aircraft operating safely. They also provide parts, fuel sales, services, and flight training for people in our community in order to build relationships and minister the gospel to them. Because the opportunities for these services continue to expand, more missionary staff are needed.

SBC also supports MARC missionaries, Peter and Sara Bastke. Several other MARC staff attend SBC.

The May Sunday School offering is going to help youth attend the Christian Youth in Action Camp, which prepares youth to share God's Word and the gospel with kids across Alaska.

Soldotna Bible Chapel Mission Statement
Being committed to God's inspired and authoritative Word, it is the *mission* of Soldotna Bible Chapel to *exalt* God in spirit and in truth, to *edify* and encourage one another to personal holiness, and to *evangelize* a lost world with the gospel of Jesus Christ.

Two are better than one, because
they have a good reward for their toil.
For if they fall, one will lift
up his fellow.

Ecclesiastes 4:9

But woe to him who is alone
when he falls and has not another
to lift him up!
